90-DAY PLAN | CMS PRODUCT & BUSINESS

Map it. Focus it. Scale it.

A 90-day proposal to turn CMS into a focused, compliant, sales-ready business.
Prepared by **Teja** • Product & Business Lead

30
DAYS 1-30
LISTEN & MAP
Understand the business, people, process and rules.

60
DAYS 31-60
FOCUS & BUILD
Pick the segment. Equip sales. Fix friction. Lock controls.

90
DAYS 61-90
DRIVE & SCALE
Run the engine. Show results. Present the next 6 months.

Five Pillars I Will Anchor

01 Growth & Segments
Identify the core focus segment. Build or enhance the product. Drive it to market.

02 Sales Enablement
Train the sales team. Join client meetings. Review the pipeline together.

03 Process Efficiency
Faster onboarding, cleaner documents, smoother transaction execution.

04 Regulatory, Audit & Risk
RBI / SEBI / RERA compliance. Audit-ready always. Strong controls and clear escalation.

05 Team & Stakeholders
Lead across Ops, Legal, Compliance, IT, Marketing and Sales. Grow the team. Keep leadership informed.

The Roadmap, Phase by Phase

30
DAYS 1-30

LISTEN & MAP

- **Meet every function:** Ops, Legal, Compliance, Risk, IT, Marketing, Sales
- **Baseline:** product P&L, pipeline, onboarding TAT, open audit items
- **Regulatory map:** RBI / SEBI / RERA circulars into one live tracker
- **Ride along** on client meetings; note objections and drop-offs
- **Shortlist 2–3** candidate focus segments

🏁 OUTPUT: Baseline report + quick-win list

60
DAYS 31-60

FOCUS & BUILD

- **Lock the focus segment** with customer profile and value proposition
- **Sales playbook + training sprint:** pitch, objections, compliance do's & don'ts
- **Fix the top 3 friction points** in onboarding, documents, execution
- **Risk framework:** control matrix, escalation path, root-cause template
- **Clear aged audit items;** take product notes through committees

🏁 OUTPUT: Segment strategy + playbook + signed-off controls

90
DAYS 61-90

DRIVE & SCALE

- **Targeted sales pushes** with weekly joint client reviews
- **Roll out the improved process;** measure the gain against baseline
- **Product enhancement roadmap** for the next 2 quarters, committee-approved
- **Regulator touchpoints** and audit calendar firmly in place
- **Team growth plans** and KPI reviews; leadership dashboard live

🏁 OUTPUT: Day-90 review + 6-month roadmap

Day-90 Scorecard

How success will be measured. [X] is set from the Day-30 baseline.
